A Letter from Rylee

Dear Champion,

Hi, it's me - Rylee!

I just wanted to remind you of something very important:

You are stronger than you think. Sometimes people may look at you and think they already know what you can or cannot do. But they do not get to decide your dreams.

You do.

I know what it feels like to want a chance. I know what it feels like to sit on the sidelines and wonder, "Will they ever see what I can do?"

But Big Josh taught me something I will never forget:

Champions do not wait for chances. They make them.

You can help. You can lead. You can believe.

You can change the game!

So keep going. Keep trying. Keep rolling forward. Your voice matters. Your ideas matter. Your courage matters.

With courage and heart,

Rylee #12
